If an inmate would like to purchase a haircut they may do so by filling out a general request asking to have their name added to the list. INMATE CLASSIFICATION AND HOUSING

All Polk county inmates are housed according to their classification at booking. Within 48 hrs of your booking a classification officer will review your initial classification and your status is subject to change. Classification of inmates at intake is based on a point system consisting of past criminal history, felony convictions, severity of current charges, past behavior issues and stability factors.

Minimum Security Inmates will be given some additional privileges not afforded medium or maximum inmates. These include the ability to have 2 visits per week and full access to current and future jail programs. 2 late nights will be offered per week. Additional TV channels are also provided.

Medium Security Inmates will also be allowed 2 visits per week and somewhat limited access to jail programs. One late night per week based on inmate behavior and at officer discretion. Housing will be in a separate part of the jail from minimum inmates. Limited TV channels are provided.

Maximum Security Inmates will be offered one visit per week. You will not be allowed to attend group programs, only the Friday morning One on One. 5 TV channels are provided. Maximum Security inmates will be housed separately from all other inmates.

Classifications for Medium and Maximum inmates will be reviewed on a 14 day basis. Your classification and housing may be upgraded, depending on your behavior and your ability to get along with others. Inmates will be given a printed notice of classification after each 14 day cycle. Inmates have no need to ask jail staff about reclassification. Classification Officers or Jail Sergeants will inform inmates of their status. Any requests turned in regarding classification will be discarded.

Your housing and privilege status during your incarceration is primarily up to you. Inmates able to follow the rules and lawful directives of the jail staff will find that their status will improve. Those that cannot follow the rules will find their privileges and housing options restricted. You are responsible for your own behavior and you are ultimately responsible for the conditions of your stay at the Polk County Jail.
